## EDITORIAL

The editors of the Argo wish to welcome you to Prep's 187 year. This is our first issue of the Argo. It's an example of what we will put out this year.

The Argo is published every marking period. Except for this first issue the rest of them are done by photo-offset. Our magazine, the Argomag, is put out four times a year.

We need a good staff this year to succeed in putting out a successful publication. All those who are interested are invited to join the staff. These students, who wish to do so, should get in touch with either Mr. Coyle, Alice Weisfeld, or Trudy Webber.

Tryouts for this year's cheerleading squad will be held during the second week of school. Two varsity cheerleaders are needed, and a J.V. squad is being debated. All girls are invited to come.

## SOCCER

This year for the first time a soccer team is to be established at Prep. The season opens close to the start of school.
