## VARSITY

### TUMULTY RECOVERS FOR PREP

PREP-56 ST MARY'S-45

In their first night tilt on home boards, Rutgers Prep toppled St. Mary's 56-45. Prep allowed the Eagles to score only ten points in the first half.

High scorers were John Hines and Frank Tumulty with 22 and 20 points respectively. Hines was able to rack up 8 points in the third quarter. Tumulty's 22 gave him an average of 15.3 points per game. Prep was minus the services of Lou Vasvary because of illness in this game.

Coach Housman's cagers can now boast a record of 8 wins and 3 losses to date.

## JUNIOR VARSITY

PREP-JV-43 NEWARK-JV-44

Although the Prep J. V. team played a fast offensive game, the Newark Academy team won by a lone point. At the end of the first half, Newark was in the lead 24-21. Prep made a rally in the last quarter which brought the score to a tie of 43 all in the last few seconds of the game. Lomber, of Newark, and Fedor, of Prep, took the high scoring spots, with 13 and 10 points respectively.

PREP-JV-36 PEDDIE-JV-37

In their first game with the gold and blue the Prepsters lost by 1 point at the Prep gym. The game proved interesting from the standpoint of its closeness. Hood of Peddie took the high score with 10 points. Pauk led Prep with 9 points.

PREP-JV-23 ST MARY'S-JV-36

Last Friday night the winless Prep Jay Vee team was taken by the Saint Mary's jay vees 36-23 in the Prep gym. High scorer for Prep was Dick Servis with 8 points.

## THE OLD AND THE NEW

A number of changes in faces have appeared in Prep during the past few months.

Dick Eckhardt from Kearney, New Jersey has recently joined the sophomore class and the Alpha House mob.

Crane Starn, an ex-soldier, has set up shop with Daniel Charles "Red" Gorman. Crane's tales and Red's hair blend smoothly.

Two of our former football squad have left school, and since Charles Papp and Karl Schreefer gave so much effort to the team, we of the ARGO feel that an expression of gratitude is due them.

And there are others who have left our school--to them also, we owe a debt of sincere gratitude.

## AMBITION

We like the story of the two ambitious fleas who worked hard, saved their money, and finally went out and bought their own dog.

## CENSUS

Midyears have come and gone. Shall we say that they were more or less rugged?

Communities take stock of the damage after a storm. We feel we should do as much.

An intelligent survey proves the damage rather low. The infirmary reports no increase in business. Aspirin sales in local drug stores have fallen off. No one was discovered hanging from lamp posts. In fact, students are seen smiling a little more now. Aside from an inflated ego here and there, and a few shattered prides, we seem to be in pretty good shape to begin our trek on the home stretch.

In closing, we might say that no canvass could be made of the many home lectures given...our staff never intrudes on privacy.

## "HEAR YE"

This week we are starting a new feature in the Argo which will appear in each successive issue. The "Picture of the Week" will be selected from the pictures that will be taken and submitted by you. Some of the photographic possibilities are: athletics, dances, life at the traps, personalities, glee club, lab work, and activities at school in general. The picture will be selected for its photographic quality, the subject matter, and the timeliness of the subject. By timeliness we mean a picture on football would not be as apropos as one on basketball at this time. There are no prizes. Just competition, and the questionable distinction of having your picture appear in the Argo.

Anyone can participate, whether a camera fan or not. If this idea is supported, we may enlarge upon it. It's up to you. Place negatives in Gil Eiseman's mail box.

## YE DIAL

Freshmen, Sophomores, Juniors, you are the future Seniors of this school. It's up to you to get out a yearbook. The Ye Dial needs you, you, and you. Every year senior staff members graduate and someone has to take their places. When you graduate you will want to have a yearbook. You can't unless you assume some responsibility now. The Ye Dial needs ads and more ads. We need you to help us--don't let us down.

## AMAZING

If a Prepster ever employed the word 'amazing' in his vocabulary, I'm sure he'd be speaking of Mason Martens. His performance at mid-year in achieving an 88.5 average is indeed amazing, considering the fact that he failed to certify one subject, in the eyes of a Prepster a former Prepster, or even a non-Prepster.

If I were to enumerate Mason's attributes and his defects, much working space and time would be consumed. However it suffices to say that he maintains and employs a plethoric amount of each.

We have been told time and time again that our glee club is one of the most important functions of this school. To this organization Mason has devoted time and effort by the truckload. His accompaniment and transposition of pieces has greatly eased Mr. Grove's struggle with forty changing voices.

Mason's main interest, of course, is music, Handel's, to be specific. Music of the church and churches themselves, hold a fascination for him also.

Delineation and dissection cannot be discussed by me, or by any one in Rutgers Preparatory School, simply because there is little true understanding.

## BASKETBALL SCORING RECORDS

The following scores are compiled from the start of the season thru February 12:

Powers	11	37
Opdyke	11	37

Jay	7	8
Veros	6	6
Bitto	7	4

OUR PERSONALITY OF THE WEEK

## GLEE CLUB RESUMED

Once again the petite classroom in the basement of the Prep School is the center of social activity here on the campus. Starting this past Wednesday, and for the remainder of this semester, the glee club will be back in full swing. The local Prepsters with the golden voices will combine their talents under the direction of Mr. Jack B. Grove.

It is rumored that among the glee club's many activities there is to be another recital with the H.G.S. in the Hartridge gym. Our glee club has enlisted some new members for this semester, who we hope will blend sweetly with all the individualists.

Before the next recital every glee club member, including Richard Lockhart, promises to eat a good meal in order to assure a more peaceful performance for each one concerned. Our talent soloist, Jerry Shinn, will be all set to do his rendition of "Two Little Doves", and many more surprises are in store for the Prepsters who put full support in back of the glee club and get the band wagon rolling.

## SPORTS CONT. ---

## PREP-50 ST. BENEDICTS-85

In return for a 39-34 setback handed them in New Brunswick, St. Benedict's Prep smeared Rutgers Prep 85-50 on the former's home court. This was the Maroon and White's third loss in five road games.

High scorer in this contest was George Parazzo who racked up 22 points. High men for the Little Scarlet were Ace Anderson and John Hines, each with 14 markers.

## PREP J.V.-24 PEDDIE J.V.-73

The Rutgers Prep J. V. team was trounced by the Peddie School jayvees 73-24 at the Peddie gym. The Prep team came on the floor with much enthusiasm, which they lost when, at the end of the first quarter, when the score was in favor of Peddie. At the end of a half the score stood 25-11 against with Peddie in the lead. Peddie's Brown led the scoring with 22 points. High scorers for Prep were Gorman and Servis with 5 apiece.

## PREP J.V.-32 SC. PL. J.V.-51

In a night game at Scotch Plains, the Jayvees were boled over by a fast-playing Scotch Plains team 51-32. At no time during the game did Prep look exceptionally good. Issacson, of Scotch Plains, captured the high scoring spot with 22 points. Pauk was high man for Prep with 10.

## PREP-64

Obviously outclassed, The Peddie School bowed to a strong Rutgers Prep quintet at the Rutgers Prep gym 64-36.

High men for Prep were Frank Tumulty and "Ace" Anderson, scoring 22 and 18 points respectively. High scorer for Peddie, in the number three spot, was Don Smalley with 12 markers.

The most exciting part of the game occurred in the beginning of the third period with Prep leading 26-15. After Tumulty made a foul shot and Smalley a jump shot, Prep went to work with Tumulty sinking two one-handers and Anderson a jump shot. Again Tumulty racked up with a couple of foul shots and a hook.

This was Prep's fifth win in seven starts.

## PEDDIE-36

## PREP-53 SCOTCH PLAINS-51

In their first game under the lights this season, Rutgers Prep upset a highly favored Scotch Plains quintet on the latter's home court 53-51. Before this game the Plainsmen had won all of their 11 previous encounters.

High scorer was Scotch Plains' Gene Schiller, who was able to rack up 9 points in the final stanza, with a total of 26 points. High men for Prep were Frank Tumulty and Lou Vasvary with 15 points apiece. Also figuring high in the scoring column were John Hines and Jack Powers, each with 8 markers.

The most thrilling parts of the contest occurred in the last parts of the second and fourth quarters. In the second period, with the score tied at 15 all, Malaoga sunk a foul shot after which Tumulty made a set followed by a lay-up by Ace Anderson. After a Plainsman made a field goal, Big Lou made a one-hander followed by Schiller making a lay-up and a foul shot. Schiller and Powers exchanged fouls making the score 23 all at the end of the first half.

In the last period, with Scotch Plains winning 50-49, Hines made a two-pointer followed by Tumulty sinking a set. After that Schiller made a foul shot, but it was in vain, for Prep froze the ball for the last few seconds not giving the Plainsmen a chance to shoot.

## PREP-52

## PEDDIE-57

In return for a previous 64-36 loss to Prep in New Brunswick, the Peddie School nipped out the Prepsters 57-52 at the Peddie gym. They led all the way.

High man was Ken Eiker with 21 points, followed by Anderson and Tumulty for Prep with 14 each.
