## RELAY TEAM TAKES PLAQUE IN PENN RUN; HUN GIVEN TRIMMING

**Sprinters Victorious in Quadrangular Meet  
With Hun, Cathedral, and Princeton Prep;  
Win Penn Relays By Wide Margin**

The Rutgers Prep track team was victorious at both the Penn Relays and the quadrangular meet with Hun, Cathedral and Princeton Prep.

The Penn Relays, one of the track classics of the East were held April 30, at Franklin Field, Philadelphia. The team consisting of Stengel, LaCalle O'Donnell, and Linders was easily victorious in the mile relay. Stengel, running first, gained about 15 yards. He passed to LaCalle who held the lead without difficulty. O'Donnell, running third, increased the lead considerably. Linders, running in anchor position, crossed the line with a lead of about fifty yards. Among the competing schools were: Gillman Country Day School and Fieldstone. A handsome bronze plaque was awarded to the team.

The Hun, Cathedral, and Princeton won every running event. Captain Robert Linders was the outstanding star of the meet, winning two first and two second places, besides running on the winning relay team. His first two victories were in the 100 and 220 yard dashes. He also took a second place in the broad jump and a second place in the discus.

The 440 yard dash was won by Stengel in the time of 54.4 seconds. G. Wenz also took third place and Joseph LaCalle fourth in the same event. In the half mile run Rutgers captured the first three places. Tom O'Donnell won in the time of 2 minutes 7 seconds. Stengel was second with Miller a close third.

(Continued on Page Four)

## TENNIS TEAM WINS OVER HUN, PRINCETON

The Prep Tennis Team has begun its season in a highly successful manner. On April 23, it defeated the widely heralded Hun School team 6 to 3, the Prep team showing many future possibilities. Wehr, Schuh, Nebel and Schneider won their singles as well as double matches. Allen and Mathis also played valiantly, but lost.

On April 30, the team journeyed to Princeton where it met and defeated Princeton Prep, 4 to 3. The Princeton team outplayed the Rutgers boys in the singles, but with the result of the meet depending on the outcome of the doubles, the fellows buckled down to business, and won their matches and the meet.

(Continued on Page Four)

## FINAL PREPARATIONS MADE FOR SPRING HOP NEXT FRIDAY

**Gymnasium To Be Scene of Festivities On  
May 20; Glee Club Concert Added to  
Increase the Week-end Entertainment**

### TEA DANCE IN AFTERNOON

**House Party For Guests of Trap Students  
On Saturday Morning**

Preparations for the annual Spring Pleasure Day to be held by Rutgers Preparatory School on May 20 are rapidly nearing completion, according to the report of the committee and Headmaster William P. Kelly. This year the dance is being combined with the usual yearly concert of the Prep glee club, so as to afford a more varied and lengthened entertainment for the students and their guests of the week end.

The program for the week end will commence at 4 o'clock Friday afternoon with a tea dance in either the headmaster's home or the parlors of Beta House. A buffet supper will be served at six o'clock for all Trap students and those couples who come in the afternoon. At eight o'clock the glee club under the direction of Professor Howard D. McKinney will present a concert for one hour in the Prep gymnasium. Tickets for this concert are \$1.75 a couple, \$1.00 single, and 50 cents for those who do not wish to dance.

### Jazz Bandits To Play

The Spring Hop will begin at nine o'clock and will continue until twelve-thirty. Music will be furnished by the Rutgers Jazz Bandits, a well-known musical organization throughout New Jersey which will also play for the afternoon tea dance. Refreshments, served during the evening, will be provided by the Prep kitchens.

On Saturday morning a house party will be held in Gamma House for the guests of the Trap boys. Mrs. Charles H. Brown will be chaperone. A baseball game with Princeton Prep, originally planned at Princeton, will be played in the morning.

Guests and parents of the Trap men will be accommodated in Gamma House by the school on Friday night. Due to limited accommodations it has been found impossible to extend the invitation to the guests of the day students.

Trap men are expected to have their parents' authorization for the girls which they are bringing. These signatures will be received by Mr. Kelly. Day students are requested to have their parents' permission as to their choice. Guests have been informed of school rules.

The committee which has been assisting the administration in making preparations for the hop includes William Kott, Bonham Head, Joseph La Calle, and John Klauer.

(Continued on Page Four)

## Jazz Bandits of Rutgers Will Play For Spring Hop

The Rutgers Jazz Bandits, a popular musical unit in this section, has been selected as the orchestra which will furnish music for the Spring Hop weekend, starting May 20. The band is under the direction of Dan Lippman, son of the dean of the Rutgers Agricultural College. It plays for many of the local entertainments and dances.

The Jazz Bandits will be represented by three members at the afternoon tea dance and will have seven pieces for the evening hop.

## NEW HONOR ROLL LED BY BEARDSLEE

**Highest Average For Year Attained by  
Juniors; Seniors Again Lead List**

William A. Beardslee, a junior, heads the April honor roll of twenty-three with an average of 95.8, the highest percentage attained by any student thus far this year. He is followed by Philip Strong, a freshman, with an average of 93.5; Richard Nebel, 91.5; Thomas O'Donnell, 90.5; and John Klauer, 89. The last three are all seniors. Klauer led the honor roll last month with a 92.5 average.

The senior class again tops the list with sixteen members. The juniors and freshmen tie for second place with three men each, and the sophomores trail with one representative.

This month's list contains two more names than the March chart. Beardslee, April's leader, has come up from third place. His percentage is 3.3 higher than the leader of last month. Three men who were on the April list are not on the new roll, and, likewise, five men have taken their places.

The students on the honor roll graded according to classes follow.

Seniors—Richard Nebel, 91.75; Thomas O'Donnell, 90.5; John Klauer, 89; Paul Wehr, 88.25; Charles Smith, 87.2; Robert Linders, 86.25; Charles Wenz, 85.75; Henry Levin, 84; Noble Warren, 84.4; Arnold Jorgenson, 83.75; Leroy Lins, 82.75; Francis Strapp, 81.5; John Jablonsky, 81.25; Lincoln Heinrich, 81; D. Resnich, 80.25; Alfred Watson, 80.2.

Juniors—William Beardslee, 95.8; Cleon Dodge, 85.3; Frank Pennington, 82.

Sophomores—Russell Gindin, 87.  
Freshmen—Philip Strong, 93.75; William Webb, 83.5; James Gleason, 81.75.

## PREP NINE LOSES TO LAWRENCEVILLE; KINGSLEY SWAMPED

**Kingsley and Morristown Schools Defeated  
By Large Scores; Jablonsky, Raab,  
Grossman, and Jacobs Play Well**

The Maroon and White team has scored two victories and one loss. Loose Jablonsky has been credited with two wins and Roy Lins with the loss.

On April 30, the Prep nine overwhelmed the Kingsley School of Essex Fells, N. J., by the score of 17-0. Jablonsky, who pitched four innings, and Lins, who pitched one, are credited with a no-hit, no-run game. Prep scored in every inning. Poor fielding and poor pitching were due to the big score against the losers. The game was uneventful and grew rather tiresome towards the middle as there was no opposition.

On May 4, Prep journeyed to Lawrenceville, where they lost a heart-breaking game by the score of 4-3.

### Preppers Outplayed

In the first inning Prep scored two runs: Pennington was safe on an error, Grossman garnered a single, advancing Pennington to third, Jablonsky flied out, and then Klauer came through with a clean single to score both men. In the third inning Grossman clouted a home run, but this did

(Continued on Page Four)

## TWO MATCHES LOST BY GOLF FOURSOME

The Rutgers Prep golfers played a very good match on Friday April 29, when they tied Hun School of Princeton. The game held on the N. B. C. C. links was played in foursomes. Whitehead and Forney played Dear and Noll. Lear and Klauer were pitted against Stewart and Warren. Captain Forney was the only prepster to win his match, but Lear and Klauer held the last ball in their foursome. Whitehead, the star player, was off his game because of a sprained wrist, and was beaten by Deer, who has never been beaten in prep school matches. It was necessary to play off the tie and another match was held at Princeton on Thursday May 5.

In the second match the prep team was defeated by a score of 5-1. Captain Forney was again the only prep man who won. Whitehead was again defeated by Deer, one stroke in 18 holes. Jack Klauer and Carroll Lear were both defeated 3 and 2; 5 and 4. The match might have been more in Prep's favor had Hun played the same men as they did in the first match. Robert Howard, manager and Harry Sampson, assistant manager, accompanied the team.

## SCHOOL PRIDE

Why Rutgers Prep? What does Prep offer that is not obtainable at one of the many other schools in the vicinity? These are questions that have no doubt often occurred to many connected with the school, and therefore worthy of some inquiry. Prep is a small school, but it offers many things unobtainable in larger institutions. The high standard of education is attested by the fact that graduates are attending some thirty colleges. Classes, being small, offer ample opportunity for thorough treatment of subject matter, and the teachers are enabled to fill the individual needs of every student.

The Trap is one of the most excellent features of the school. This "home away from home" offers something as valuable as scholastic training—opportunity for social development. In the wholesome atmosphere created by helpful teachers and friendly boys a growth of character takes place, fully as vital as any knowledge gained during school hours. Various social events, some participated in only by boarding students, and others by all students, greatly advance the spirit of school pride.

The athletics are a very important feature of the school life. The development of the body should be coordinated with the development of the mind, and if either is neglected, the result is one-sided at best. Athletics at Prep, therefore, are conducted not only for the experts, who participate in the interscholastic contests, but also for the purpose of rounding out those more proficient in other lines. Moreover, almost any form of athletics affords superior training in self-control, and in the development of will-power.

## Faculty to Travel Through Europe And America During Summer Vacation

**Dr. McGinn Will See Olympics,  
Mr. Laramore Plans to Travel  
Through Southern Europe**

The faculty of Rutgers Prep will be widely separated during the summer vacation. They will travel to many parts of the United States and to Europe.

Headmaster Kelly and Mrs. Kelly will spend the month of July at their summer home in Greensboro, Vermont. The rest of their vacation will be spent in New Brunswick. Mr. Kelly, during August, will be getting the school ready for the opening in September.

Mr. Laramore and his mother are sailing on the Aquitania on June 8th for a summer of travel in Europe and the Near East. They expect to visit England, France, Germany, Switzerland, Austria and the Tyrol, and Italy, and sail from Marseilles on July 17 for a cruise in the Mediterranean to Egypt, the Holy Land, Syria, Rhodes, Turkey, and Greece. Included in their itinerary are motor trips through the Shakespeare Country in England; the Battlefields in France; the Pyramids in Egypt; Bethlehem, Jericho, the Dead Sea, and along the Phoenician shore from Jerusalem to Beirut and the Sea of Galilee in the Holy Land; the Rhone Glacier and the Tell Country in Switzerland; and the Routes des Alpes from Monte Carlo through the French Alps to Chamonix.

Returning late in August, Mr. Laramore will accompany his mother to their home in Georgia for the remainder of the vacation.

**Dr. McGinn in Adirondacks**

Dr. McGinn has a very interesting vacation planned for the summer. He plans

to spend part of his time at his home in the Adirondacks in New York. He will also spend part of his time in Worcester, Massachusetts with a college chum, where the Olympic crew tryouts are being held. The most important part of his calendar is his plan to visit the Olympic Games in Los Angeles. He intends to drive out to California and stay there until the opening of school in September. He also expects to put in some of his spare time at golf, which is one of his favorite sports.

Mr. and Mrs. Thatcher are to spend most of their vacation in the Middle West. They will visit the home of Mrs. Thatcher's family at St. Louis. With St. Louis as a base, they will journey around Missouri and the Mississippi valley.

**Mr. Cook Remains Here**

Mr. Cook will spend part of his vacation in New Brunswick and the rest at his home in Hancock, Massachusetts. While he is here helping to get the school ready for next year, his family will stay with him.

Mr. Hartman will spend six weeks of his vacation at Bucknell University taking a summer course. The rest of his time will be spent in or around Selinsgrove, Pennsylvania, his home town.

Mr. and Mrs. Brown intend to spend the greater part of their vacation in New Brunswick, but they will, however, take about a month for travel in the Middle West. Mr. Brown expects to visit in Ohio, Michigan, and Western New York.

Mr. Stroud also will stay in New Brunswick for part of the vacation, where he will assist in the registration of students for next year. He plans, however, to take about a month for relaxation at some point on the shore.

## RANDOM NOTES

Strange, isn't it, how grievances vanish as the year declines, how we forget the bad and remember the good in our associates? Strange—and yet that is the way with friendships that last.

\* \* \*

The Midget Baseball team is making a name for itself this season, and prophesying its own glory as the Varsity team a few years hence. In the first two games of the season it defeated Pingry 6-0, and the Freehold Military School 11-0.

\* \* \*

An old feud is revived: Heinrich maintains that there are 100 miles of roads in the square mile comprising Sea Cliff, and Howald contests the statement with a question as to where, if this is so, the people live. The Argo invites a formal debate through its columns, and pledges impartiality.

\* \* \*

We have all missed "Si" at the Trap.

\* \* \*

An organ grinder completely dispelled the other day all vestiges of the solemnity which should characterize a group assembled for a purpose so serious as a Latin test; and from startling gesticulations which have since emanated from certain members of the class whose seats are too near the window, it would appear that certain idiosyncrasies of the monkey have been introduced to further deplete the air of classical submersion.

\* \* \*

Whitehead has suggested, that, since he has an engagement the evening before, Mr. Hartman postpone the examination in his subject.

\* \* \*

Bob Howard has been detected frequently at recess recently whistling at a charming—or so he says—girl who seems invariably to pass at that time. The whistle is gorgeous—or so she says.

\* \* \*

Ruiz has modestly admitted to a representative of the Argo that the book "Don Juan" is a characterization of himself, written after the author had sought him out for an interview. More distinctiveness for Rutgers Prep.

\* \* \*

Recent observations indicate that big game hunting is the sport of the hour at the Trap. Grossman and Klauer were seen cavorting after Br'er Rabbit across the Delta House lawn before breakfast the other morning. But we had chipped beef for breakfast, notwithstanding.

\* \* \*

Miss Elizabeth Stroud and Miss Natalie Chadwick were weekend guests recently of Mr. and Mrs. Thatcher.

—Yale Record.

## FRENCH FOUNDED NOTRE DAME, KNOWN FOR PUBLIC SERVICE

Catholic University in South Bend Possesses  
Fine Campus Situation; Land Granted  
College By Religious Order

The University of Notre Dame was founded in 1842, and chartered by the State legislature two years later. Its foundation was due to the missionary zeal of the Rev. E. F. Sorin, and six other members of the French religious community known as the Congregation of the Holy Cross. The land now occupied by the University was deeded to Father Sorin by the Bishop of Vincennes on condition that a college be built and opened in two years.

Until 1885, the only work offered at Notre Dame was the traditional courses in classics and letters. In that year provision was made for scientific studies, and in 1869 for a department of law, the first permanent department to be opened at a Catholic University in the United States.

The University has always held to the policy of housing its students on the campus, believing that in so doing, it procures a better student morale and many advantages for the individual student. The loyal response of the alumni and friends of the university is making possible the development of a greater Notre Dame, better equipped in every material way to carry on the work undertaken for Catholic education and for public service.

The university occupies a campus of 1200 acres immediately north of the city of South Bend, Indiana. There are included some twenty-five buildings in those being used at the present time by the University.

### Admission by Certification

Certificates of credit are accepted from all high schools and academies accredited by the North Central Association of Colleges or any other recognized standardizing agency. The necessary requirements include the fifteen units of high school work and also one year of elementary physics for entrance to the School of Science or Engineering.

Since the campus of the college includes more than a square mile of park the students are expected to take their recreation on the campus rather than in the neighboring city. The University is a Catholic institution but it welcomes those of other beliefs and about nine per cent of the students are non-catholic.

All freshmen are required to give at least two hours a week to physical education and no freshman can be exempted from this without the proper medical certificate.

### Student Governing Bodies

There are two student governing bodies at Notre Dame, the Faculty Council and The Student's Activities Committee. The purpose of the organization is the exercise of a supervisory control over all student organizations and activities.

The University as at present organized consists of College of Arts and Letters, School of Education, School of Fine Arts, School of Journalism, College of Science

## RADIO BROADCAST FOR PREP GLEE CLUB

WOR in Newark To Be Radio Outlet  
For Choral Club

On May 19th, the Glee Club will broadcast over station WOR in Newark. This is to be the first broadcast for the club this year. There has been much improvement in the past two weeks, since two rehearsals a week have been called.

Professor McKinney has given much of his time to put the concert over in great style. He has arranged many of the songs which the club will sing. Recently Professor McKinney selected four members for the quartet. They are Richard Niederstein first tenor; Raphael Rosenberg, second tenor; Richard Keating, first bass; and Jack Petit, second bass. These four voices seemed to blend very well and in spite of the short time before the concert, the quartet has been rehearsing continuously.

Richard Keating will be the soloist. The Glee Club will accompany him in "Danny Deever." As yet he has not selected the songs which he shall sing, but there is a belief that he will do Joyce Kilmer's immortal "Trees."

Mr. Kelly has announced that the annual concert shall take place on May 20th, at the Prep gym. It will commence at eight o'clock. After the concert will be the Senior Dance. Tickets for the concert are available from Mr. Kelly.

and Engineering and a College of Commerce. Graduate courses are offered by the Colleges of Arts and Letters and of Science leading to the degrees of Master of Arts, Master of Science and Doctor of Philosophy.

The University bestows a number of scholarships and prizes which are open to all students adhering to the conditions that are connected with each prize or scholarship.

## John P. Clum Dies in West; Graduated from Prep in '70

(By the Associated Press)

John P. Clum, member of the class of 1874 at Rutgers University, who as Federal Indian Agent organized the first Apache Indian Reservation in Arizona in 1874, died at his home in Los Angeles, May 2, at the age of eighty. Mr. Clum remained at Rutgers for only one year, being forced to leave because of ill health. He was a member of the second Rutgers intercollegiate football team. He graduated from Rutgers Prep in 1870.

He was the first mayor of Tombstone, Arizona, when that city was a rough mining town. He was stationed at White River in the period of Apache raids on settlers and gained the friendship of the Indians who called him "The Captain with the High Marble Dome." He later became chief of the division of postal inspectors for Alaska during the Klondike gold rush.

### Blairstown Conf. June 25-30

The Blairstown Preparatory School Conference held annually at the Blair School will be in session this year from June 25 to 30. Representatives from the best known of secondary schools attend this conference, devoted in general to the discussion of Christian leadership. Prep students who are interested should see Mr. Kelly immediately due to the urgency of early registration.

### Gift Committee Appointed

William Kott, Franklin Joseph, William Whalen, and John Pettit were appointed to the senior gift committee at a meeting held on Wednesday morning by the class. John Klauer, class president, requested the number of commencement invitations each senior would require.

## GAMMA HOUSE

By Walter Runyon

Let us look at the Gamma House dwellers to discover their various merits and attractions.

On the first floor we come to Mr. Charles H. (Charlie) Brown, athletic director, instructor in Chemistry and Physics. Mr. Brown is also noted for his sparkling wit. His pleasant wife, who lives with him, does much to cheer up the house. Around the corner we come to Bob Linders and Tom O'Donnell, track stars and honor students of no little ability.

On the second floor is Dr. Donald J. McGinn, who is our English teacher and track coach. "Doc" put out a team this year that was the best known at Prep.

A little farther down the hall is the abode of Hans Howald and Lincoln Heinrich, the two noisiest fellows in the house. Hans and "Link" are better known as the Marx Brothers. Directly to the right, live Carroll Lear and Charles Wenz. The latter, although an honor student, is a little noisy at times. Carroll is noted for his ability as a football player and his talented voice. We next come to Frank Heuer, known for his back-fence conversation. Frank is also an artist at hitch-hiking. He does not add to the comfort of the faculty.

On the third floor we find Morris Grossman. As well as being an all-round athlete, Moe is also a capable student. At the end of the hall resides Edward C. Wood, who is our house tenor and bugler. Wood also carries the mail when he is not swimming. Next to Wood, we find Walter G. Runyon. "Slim" is a good-natured fellow. He spends his leisure time chasing little white balls at the golf links.

# RELAY TEAM TAKES PLAQUE IN PENN RUN

(Continued from Page One)

## Prep Takes All Places in Mile

The mile run was a clean sweep for Rutgers Prep. Pendleton was first with C. Smith, C. Wenz, and Heinrich taking second, third and fourth places respectively. Pendleton's time was 5 minutes 4 seconds. The relay team consisting of Linders, Kott, Berman and Brost was easily victorious in the quarter mile relay.

The final score of the meet was: Rutgers Prep 53, Hun School 36; Princeton Prep 15; Cathedral High 6.

There are three remaining meets in which Prep will participate. The first of these is the Princeton Interscholastics which are to be held some time in May at Palmer Stadium, Princeton. The best members of the squad will be entered. On May 24, is the annual Princeton Prep meet which will be held here this year. The State Interscholastics, on May 28, at Newark, will be the last meet of the season.

# TENNIS TEAM WINS OVER HUN, PRINCETON

(Continued from Page One)

Wehr and Schneider were the only two singles winners. Schneider and Nebel won the deciding match of the afternoon in a tensely fought battle, proving the fighting vitality of the team.

On May 4, the team lost to Peddie on their home courts, 4 to 3. All the matches were close and hard fought, Wehr playing brilliantly to defeat McCracken, Peddie No. 1 man 6-2, 6-0.

## Enter Princeton Interscholastics

On May 6, Wehr, Schuh and Schneider journeyed to Princeton for the Interscholastics. Schneider was defeated in the first round. Schuh after winning his match was defeated by Swift of Alexandria, Va. in a hard fought match. Wehr, who defeated Lawrenceville and Hun School players, bowed to Bill Tilden 3rd of Haverford, a nephew of the famous "Bill". In this match all but four of the games went to deuce several times which shows "Bill" did not have everything his own way.

# PREP NINE LOSES TO LAWRENCEVILLE

(Continued from Page One)

not count, due to the umpire calling him out for stepping out of the batter's box. This box was unmarked and no amount of argument could make the umpire change his decision. This play took the heart right out of the team, and from then on they played a losing game. Lawrenceville scored their two runs in the fifth on a walk, a single, and a Texas Leaguer to short center field. Prep picked up one in the sixth on hits by Jablonsky and Lins, and a sacrifice by Klauer. Lawrenceville tied the score in the seventh on errors by Keating and Lins, and in their half of the eighth scored the winning run on errors by Klauer and Pennington, and a single by Flash, the pitcher.

On May 7, the Maroon and White trounced the Morristown School of Morristown, N. J. by the score of 18-3. Jablonsky let them down with but three hits out of three times at bat. The Mountaineers scored their runs in the fourth on a homer by Palhster, and in the fifth on Platt's timely single to send home Turner, who had walked, and Sergeant, who had singled, to account for the other two runs.

## Prep Men Score

A literal bombardment of runs greeted Miller, the Morristown pitcher, in the second and third innings. Prep scored 4 runs in the second, 6 in the third, 2 in the fourth, 4 in the fifth, and 2 in the sixth. In this inning Coach Brown made numerous substitutions as follows: Lahiere for Stepp, rf; Robeson for Lins, lf; Jacobs for Raab,

# DIPLOMAS TO BE AWARDED JUNE 8

The 1932 commencement exercises at Rutgers Preparatory School will be held on Wednesday, June 8, in Kirkpatrick Chapel at eleven o'clock in the morning. It had been planned formerly to hold the graduation on Thursday but for administrative reasons the date was set ahead. Music will be under the direction of Professor Howard D. McKinney of Rutgers University and director of the school glee club.

F. Marmaduke Potter, L.H.D. will be the commencement speaker. Dr. Potter is general secretary of the Reformed Churches in America. His entire life has been devoted to missionary and religious work. He attended Rutgers University for three years and while here was chosen the Rhodes scholar from New Jersey. He studied for three years at Oxford, becoming a member of the varsity tennis team. From there Dr. Potter went to India where soon he became president of Voorhees College, an institution of one thousand students. His health impaired by the climate, he returned to America and took an executive position on the mission board. Dr. Potter taught in Rutgers Prep for one year.

lb; Fertig for Braido, cf. Morristown went out in one, two, three order to end the game. The Mountaineers hit the ball, but Jablonsky stopped all three of them and threw the ball to Jacobs who made the put-outs on first.

Jablonsky, Grossman, and Raab starred at bat, whereas Jacobs, Raab, and Jablonsky starred in the field.

# FINAL PREPARATIONS MADE FOR SPRING HOP NEXT FRIDAY

(Continued from Page One)

Kott was chairman of the Fall Dance. Patronesses have not yet been announced.

All Prep students are expected to extend a liberal invitation for the school to their parents to attend one or all of these festivities. This is the only get-together for this year and parents can take advantage of the opportunity to visit the school and meet the faculty and students.

Guests during the week end will be:

Constance Kennedy, Northport, L. I.; Winifred Feldman, Perth Amboy; Dorothy Harkness, Merchantville, N. J.; Anna Bearman, New Brunswick; Eileen Smollen, Huntington, L. I.; Margaret Farley, New Brunswick; Bernice Rubel, N.Y.C.; Sally Bixby, Huntington, L. I.; Dorothy Cameron, N.J.C.; Elizabeth Kniffin, New Brunswick; Ruth Peltin, Trenton, N. J.; Ethel Toenjes, Jersey City, N. J.; Mary Kelly, Bloomfield, N. J.; Helen Neger, Oceanside, L. I.; Mary Christine Lawrence, Point Pleasant, N. J.; Camilla Klotzbach, New Brunswick; Virginia Davies, Jersey City, N. J.; Jessie Rosenberg, Hackensack, N. J.; Louise Reader, N.J.C.; Eleanor Winant, Hackensack, N. J.; Marie Goldbeck, Oceanside, L. I.; Ruth Stevens, Winsted, Conn.
