## PREP WINS THRILLER FROM B.M.I.

Prep beat Bordentown Military Academy by a score of 38-35 last Wednesday at the home gym in a game long to be remembered.

Jack "Dainty-Gloves" Bartow opened the march to victory, making good a one-hander from the side of the basket. This 2-0 lead was short-lived, however, when Utz, high-scoring guard for B.M.I., made good two fouls, and started his long scoring spree. Making good two set shots, Utz brought the score to 6-2 in B.M.I.'s favor. Tretsky was given a foul, making the score 6-3. Kluey was the next to go to the foul line twice in succession, bringing the score 6-5. "Tiny" Longacer sunk his foul closing a period of fouls with the score at 7-5 in B.M.I.'s favor.

The second period opened with Joey "Mountain" Tretsky sinking a set shot which tied the score at 7-all. Then Utz and Joey played a game of one-two with the baskets, alternating until the score was again tied at 10-10. Utz was given two foul shots, which he made good, and then Mountain Joey zipped a beautiful one-hander to tie the score at 12-12. "Ivan the Terrible" Kluey followed Joey with the same shot, giving Prep a two point lead. "Dainty Gloves" sunk a side shot which brought Prep's lead to 16-12. Haubert of Bordentown made a set shot which found the mark, bringing the score to 18-14. Ivan-the-Terrible's set shot made the score 20-14. Cadet Utz took a set shot from mid-court, making the score 20-16. Then "Slim" Harper, who was keeping "Tiny" Longacer's hands from the basket, made a good a foul shot to end the half with Prep to the good, 21-16.

Kluey opened the third period with a one-hander followed by Longacer's foul, making Prep's lead 23-17. Referee Smith again gave B.M.I. a foul which Levane made good. "Powerhouse" Burton ripped the cords with a foul shot and was followed by Cadet Haubert's set shot, bringing the score to 24-20. It was in this quarter that B.M.I. threatened to tie the score, but foul shots by Tretsky and Harper brought the score to 27-23 in Prep's favor. The period ended

## TRAP ASSOCIATION TO SPONSOR DANCE

Novel price of admission featured

"Bring a dance record or pay fifty cents and you will be admitted to the dance to be held in the dining-hall of the "Trap" on February 25th, announced George Burton, President of "The Trap Association", last week.

The dance will be mainly for the boarding boys, but already many of the older day boys have been extended invitations.

As the admission price is very small, the music will be furnished by an electric victrola, hence, the price of admission. So, if you have any records such as: Twilight In Turkey, Marie, Loch Lomond, You're a Sweetheart, Rosalie, or any others, just bring them along and you will get in for nothing.

A good crowd will be there, refreshments will be served and everybody should have a good time. Dancing will be from eight o'clock until twelve, so come one come all to the dining-hall of the "Trap" on Friday night, February 25th.

with a brilliant one-hander by Tretsky, leaving the score 29-24.

Cadet Utz succeeded in getting seven points in the last quarter, but good work by Kluey and Tretsky kept Prep ahead. Almost at the last moment Prep was leading by only one point, but the game ended with Harper's spectacular one-hander which rolled around the rim before deciding to drop in the basket.

LAWRENCEVILLE TOPS PREP MERMEN  
49-17

The swimming team went down to its fourth defeat last week at the hands of a strong Lawrenceville team. Croonquist came in with his usual first in the breast stroke while Rudolfs, Gosse, and Vincent took seconds in their respective events, dorsal, 100 free, and dives.

Here's credit to Bill Rudolfs for his fine work in the 100 backstroke, and to Bob Burton of Lawrenceville for breaking the pool record in the 50 freestyle.

Everybody should be on hand for that meet against Peaie this Wednesday, at the Rutgers pool, when the "Crooner" is expected to crash through with the Inter-scholastic Prep record which he broke unofficially last week.

When is slang not slang?  
When it's good English in Shakespeare, the seniors have found out. Hamlet contains two expressions which we would think of as slang: "Drift" and "Something is rotten in Denmark". Mark that if you can.

As soon as you enter the Delta house you will probably hear Bob Stengel shout, "Don't let Mitzi out of the basement." Rather a shocking outburst for a boys' boarding school, but don't faint because Mitzi is only a small dog, that Stengel and Green-span are trying to hide from the faculty.

If you happen to ask Dick (Rutgers' loss, Prep's gain) Stacey who his ideal girl is he will promptly answer "Ophelia". Ophelia is the heroine in Hamlet. She is weak-minded, crazy, unfaithful and finally commits suicide. So that's Stacey's idea of a girl....

TENNIS COURTS TO BE READY BY THE  
END OF MARCH

The tennis courts, opposite the "Trap", are being rebuilt by the WPA. The work was begun after the Christmas holidays, but will not be finished for several weeks yet. The old courts were dug out a few feet, then drainage ditches were cut and filled in with stones. Then the whole court was covered with gravel. After they have been surfaced and rolled the Prep tennis can expect to have three first class courts to play on.

The job will probably be finished in a month and at that time the tennis season will open. As we have always had good tennis teams at Rutgers Prep, we hope that many good players will turn out for the sport when the season opens.
