

SENIOR GIRLS TROUNCE JUNIORS, 26-13, IN 2nd ROUND OF TOURNEY!!

THE WEEKLY ARGO

Vol. 1, No. 4

March 14, 1963

HOLD SPORTS BANQUET TO HONOR ALL ATHLETES
WHO PARTICIPATED IN FALL AND WINTER SPORTS

by Valerie Shelley '66

The Rutgers Preparatory School Annual Athletic Dinner was held at the Greenbrier Restaurant last night. Richard C. O'Connell, Master of Ceremonies, introduced Steve Holsten '59, guest speaker. He aided Mr. Frank V. Sperduto, Head Soccer Coach at Prep, in presenting the Outstanding Soccer Player award to Captain Dan Varady. Varady was all-state performer this fall and led the team to a tie for the group "B" prep school soccer championship. Bill Young and Carl Connelly led the Cross Country team this fall and received Varsity letters and 6th and 10th place medals respectively in the state meet.

Marc Turtletaub was presented with the Most Valuable Basketball Player award and Bill Landau was given the Most Improved Basketball Player award. Mike Jacobs was named Top Foul Shooter and Top Underclassman Basketball Player. All the Varsity basketball players received their letters.

Raymond Zirpolo received the Most Valuable Swimmer award, while Robert Kaufelt was given the Most Improved Swimmer award.

The members of the newly added Varsity Wrestling Squad received the first varsity wrestling letters in Prep's history. Captain Steve Safran was given the Outstanding Wrestler award.

Captain Amy Levovitz and the Varsity cheerleaders received gold megaphones for their year's participation on the varsity squad.

VARSITY "R" CLUB ACCEPTS RESPONSIBILITIES AND ASKS FOR STUDENT SUPPORT IN PROJECTS

To the Editor:

The Varsity "R" Club was started five years ago to help with the promotion of school athletics and with the direction of physical education and Field Day. To date we have taken on many other duties and revised our constitution. Our aims were clearly set down to read: (a) to cooperate with the Director of Athletics in the development of the athletic program; (b) to sponsor social events which are approved by the Student Council to aid and promote school athletics; (c) to award special recognition when deemed necessary by the club; (d) to give the Varsity "R" Award annually to the student who exemplifies the ideals of the club.

We have, with the help of the Student Council, sponsored the Alumni Game, the Soccer Dance, the Pep Rally, and the Senior-Faculty Game. In the future we will run the Sports Dinner and Field Day.

The Varsity "R" Club has carried out these various projects, attempting to maintain our budget and at the same time try to promote school spirit. The goal of promoting school spirit is accomplished quite well by the Varsity "R" Club but the other aspects of school spirit are left to the students themselves; they are the ones who make the spirit that a school has.

The Varsity "R" Club would like to extend its appreciation to Michael Denker '64, who, though not a member of the club

himself, has aided the club in selling pep cards, by printing them up for free although he was offered full payment.

The club feels that its objectives have been achieved thus far this year, and that the students have helped greatly, but again we will need the students help in promoting school spirit with the spring sports.

Thank you,
Raymond Zirpolo '63-President
Gregory DeVido '64-Sec'y-Treas.

RIESENER LEADS FACULTY IN ROMP OVER SENIORS

Led by Coach Riesenher, the vigorous faculty basketball team extended to five the number of undefeated games against the seniors, on March 8, at the Prep Gym. (cont. on p. 2)

BOB SUTHERLIN DISPLAYS HIS INTEREST IN AVIATION; EARNS MONEY TO LEARN TO FLY

by Georgia Spiro '66

Aviation, a thrilling and challenging hobby, provides Robert Sutherlin '64 with a unique interest. Airplanes and their construction have fascinated him since childhood, and he finds pleasure in constructing models.

In July, 1962, Sutherlin first started taking flying instructions. His lessons were financed with the money which he received as a caddy at Colonis Golf Club. Every weekend through October he took lessons. He now has monthly instruction.

On October 4, 1962, he attained his Student Pilot's License. In order to qualify he had to be 16 years old and have had 12 hours of dual instruction. He is now permitted to fly solo but is not allowed to have passengers.

His next goal is his Private Pilot's license which he will get after forty hours of flying. He will complete this, he says, by next September with a series of flights.

Sutherlin's next adventure will be five hours of cross-country flights with his instructor. Each trip has to be a minimum of 25 miles each way. He will continue with ten hours of solo cross-country flying.

During dual flights, which are in the near vicinity of the Elm Farm Campus, he practices basic maneuvers such as spins, stalls, emergency landings, and sharply banked turns.

STUDENTS ACCEPT BID TO BOWLING TOURNAMENT

Many of the members of the Rutgers Prep faculty have boasted to the students of their outstanding abilities in athletics.

Mr. A.Z. Holley, on behalf of several faculty members challenged a group of students to bowl. This immediately activated Michael Kolbay '63 and Robert Seidel '64, both excellent bowlers, into organizing the student team. The students have informed Mr. Holley that the faculty's challenge has been accepted. The date has not been set.

Kolbay and Seidel have commented on the match: "The faculty has thrown down the gauntlet and we, the students, intend to pick it up. We have long been haunted by tales of the faculty's prowess and we, in one fell swoop, will completely destroy this ludicrous myth". Faculty member Michael L. Lasser responded: "What's a Kolbay?"

7th and 8th GRADES TAKE SECOND PLACE IN TOURNAMENT

The 7th and 8th grade basketball team, under the leadership of co-captain Joe Jacobs, took a close second to Newark academy in the State Tournament on March 8th.

The game was close all the way and the opponents lost only in the last few minutes, by a score of 46-44.

Jacobs was responsible for thirty-two points. Alan Moskowitz was second for Prep with 6 points. David Steinman, and Roy Mittman also scored.

The youngest players finished the year with a 2-5 season, and several of this year's stars have great potential for next years Freshman and J.V.

CONT. From P.1

The seniors took an early lead and held it throughout the first quarter, but the faculty retaliated and tied the score by half time. After the intermission, the faculty continued its rally and midway through the third quarter led the seniors by 11 points. Despite the strong efforts of the seniors to regain the lead, the faculty managed a 66-60 win.

Mr. Riesener was the high scorer for the faculty with 34 points. The only other faculty scoring in double figures was Mr. Fenstermaker with 10 points.

For the seniors, Marc Turteltaub, Bill Young, Ed Diemer and Charlie Collard scored 19, 18, 10, and 9 points respectively.
