NATHAN'S

The Sincerity of Baby

Older folks are influenced—and rightly so—by the advice and experience of physicians and nurses who have endorsed Johnson's Baby Powder. But baby's praise is told in smiles and chuckles.

Johnson's is so deliciously cooling and so fondly comforting—a soothing balm to that most vexing thing called skin.

We suggest this motto to mothers who want scientific quality and money's-worth quantity in any article—"Try the drug store first."
