ZEZENSKI FORM'S CLUB; BEGINS TAPE COLLECTION

by Edward Diener '63 A group of students of the Rutgers Preparatory School have initiated a Tape Library Club, with Mr. George Zezenski as faculty advisor. The goal of the club is to begin a collection of tape recordings of music, lectures, school activities, and areas concerning educational help.

In the field of school activities, a fifteen mingte tape was made with three members of the History Club who were discussing the new school schedule and its effects on the club. Mr. Michael L. Lasser suggested that students could recite and tape record works of literature.

Mr. Zezenski and Mr. Robert Fenstermaker are involved in a project connected with the club. Hr. Fenstermaker is taking movies of the Elm Farm Campus while Mr. Zezenski is taping a narrative to accompany the film.

Eventually Mr. Zezenski hopes to wollect enough tapes so that a section of the library can be set aside for these tape recordings. Mr. Zezenski hopes that the students will be able to come into the library, which would be equipped with a tape recorder and earphones, to listen to the tapes.

Fifteen members will be needed to complete the club. I'r. Zezenski will demonstrate the techniques of recording, splicing, and editing the tapes

to the members.

S.C.A.L.P. INSTRUMENTAL IN DEVELOPING TEAM AND ARRANGING FIRST FULL VARSITY SCHEDULE

by Michael Morse '65

The formation of an organization called S.C.A.L.P., or the Student Committee for the Advancement of Lacrosse Players has materially aided this year's Lacrosse team.

The basic aims of this group, as set out in its manifesto are to increase the size of the team by creating interest in it. getting more equipment, starting a J.V. team, and creating a small school lacrosse league.

Among the other projects of this group are placing more emphasis on Lacrosse in the lower school, and creating a permanent

coaching staff for the sport.

The many ambitious aims of S.C.A.L.P. are being guided by its chairman, Jim Callaghan.
Callaghan has managed to en-list 23 members in the past few weeks, with the aid of Mike Firczuk, who has made up nametades for the members.

This year's lacrosse coach is We. Richard S. O'Connell. With Mr. O'Connell's guidance and S.C.A.L.P.'s assistance, the team has arranged for the first full Varsity Lacrosse Schedule.

FARKAS HIKES 42MILES; WILL TRY AGAIN FOR 50 by Georgia Spiro '66

All the Prepsters may not follow the President's plea for physical fitness, but there is one student who is keeping in good shape. Randy Farkas '65 set out last Saturday, March 16. with two friends who dared him to walk fifty miles. His friends deserted him after about twenty miles but Randy hiked on.

He got within eight miles of his goal, but the incessant rain prevented him from finishing. He had covered forty-two miles in mine hours! The route extended from Lavalette, New Jersey, to beyond Red-

Farkas again attempts to reach the fifty mile mark on March 23. He stated that he hopes to be a member of the hiking party of Rutgers Preparatory School students who plam to take a fifty mile walk during spring vacation.

All fields are to be used; all baseball home games are to be played on the upper fields, upon the installation of a backstop by the Wittle Company.

As many Lacrosse games as possible will be played on the lower fields depending on conditions. The remaining home games will be played at Rutgers Heights.

DAVID AND LISA COVERS TOPIC OF MENTAL ILLNESS

The problem of mentally disturbed youths is treated sensitively and beautifully in the new movie, David and Lisa. David and Lisa are inmates at a school for the mentally disturbed, where they are surrounded by others of their own age who are suffering from a myriad of problems. The two are immediately drawn to each other, and through the unique love that developes between them, they are able to help each other.

Almost everyone involved in the picture and its production are novices, with the exception of the cameraman, but the performances are outstanding. Keir Dullea as David and Janet Margolin as Lisa are real, convincing, and at times even quite frightening. Howard Da Silva plays the psychiatrist at the institution.

The film is one of the best of a rash of movies dealing with controversial topics which have been produced recently.

Its powers lie in its simplicity; there is nothing error-tacular about David and Lisa. Its humor is occasional and subdued, and enhances a difficult story well told.
