SUMMARY OF MEETING OF OCTOBER 22, 1964

The meeting was called to order in the Conference Room by President Gottlieb. The minutes were approved as read.

Tressurer Roy Mittman outlined the projected student council budget. On a motion by Steven Gottlieb, the Council approved the

projected budget 9-0-1.

Margaret Klingler reported on the Volunteer Committee. She stated that the turnout for the first meeting was quite good. The Cossittee plans to hold a party for a home for retarded children on November 21. It also will work with the Red Cross, and hopes to be able to contribute to such organizations as CARE.

The Council then discussed various methods of improving forthcoming dances. Several suggestions were proposed for allowing the different classes to sponsor dances; however, it was decided that these methods would do little to improve attendence. Another ides advanced was a "Carnival" dance, with the classes and clubs

running booths.

President Gottlieb announced that the Poster Committee will make different service posters for the Council (one suggestion was a "No Unauthorized Work in the Lab" poster). There followed a discussion on the responsibility of class officers to help keep order in the school, particularly in the lunch periods. The Council generally agreed that a great help would be faculty cooperation in accepting student suggestions and in delegating more responsibilities to students.

On behalf of the International Fund, President Gottlieb reported that there is no possibility of having a foreign exchange student next year. He hopes the Fund will function more like a

club this coming year.

The Council then discussed the now inactive Student Committee, originally formed for students' grievances against the faculty. It was suggested tat the Committee might be used to enforce an honor code, as is the practice in the Hun School. It was remarked that such an Honor Code would be difficult to begin in this school, but might very well be a good idea.

The meeting was adjourned at 3:20, on a unanimous vote. JAY LEVENSON,
